Old Fidelians Reunite at Annual BBQ

On Friday, 5th September 2025, St Faith's School welcomed back its alumni for the annual Old Fidelian (OF) BBQ, held in the picturesque setting of the Headmaster's Garden. The event brought together former pupils from across generations, offering a joyful opportunity to reconnect, reminisce, and celebrate shared memories.

Guests included people who remembered St Faith's as a boys' boarding school, as well as those whose experiences were shaped by its more recent evolution into a co-educational day school. The diversity of memories and stories shared throughout the evening highlighted the school's rich history and enduring community spirit.

Adding to the warmth of the occasion, members of both current and former teaching staff were in attendance.

The evening was a resounding success, filled with laughter, storytelling, and a strong sense of belonging. It served as a testament to the lasting bonds formed at St Faith's and the value of maintaining connections beyond school years.

Are you an Old Fidelian?
