Last House Standing

On the last day of term, Years 3-8 took part in the highly anticipated Last House Standing competition and talent show.

Last House Standing is the highlight of the year at St Faith's where all four Houses – Latham, Bentley, Newton, and Chaucer – perform a song. If you were lucky, you could hear a snippet of rehearsals as you moved about the school during the Michaelmas term.

On the day, dressed in festive jumpers, costumes, and bright smiles, everyone performed brilliantly, including the pupils showcasing their amazing talents. We saw singers, rappers, magic acts, and dancers light up the stage!

But in the end, there could only be one House winner and, after an eleven-year wait, the trophy went to Bentley House, with their performance of '*A Whole New World*' from Aladdin.
