Reception News

Dear families,

There was great excitement earlier this week as our butterflies emerged from their cocoons and enjoyed being released in the nature garden behind RVH's classroom. We have also enjoyed discovering the amazing art work of Eric Carle and producing our own versions.

We are looking forward to our trip to the Botanic Gardens next Tuesday. To support logistics and ensure we are prepared for all meteorological eventualities, please make sure you child has in school on the day:

- Coat
- Small, named rucksack (to carry their water bottle).
- School shoes / trainers comfortable for walking

Next Friday is our Pre Prep 'Day of Play', please see communication about this from Mrs Wakefield. At the end of the day, we invite children to purchase an end of day treat, to raise funds for our Pre Prep School Council – please see separate letter from Mrs Clarke.

Our homework this week is to use the lifecycle paper plate your child has brought home, and using ordinal language (first, then, next, last) ask them to explain the lifecycle of a butterfly to you. Please also keep practising the Level 4 tricky words.

With best wishes for a lovely weekend,

The Reception Team
