

THIS WEEK AT ST FAITH'S

21st October 2021

As we approach the half-term break, we have an opportunity to reflect on the past six weeks and to celebrate all that the children have achieved at St Faith's. From our Foundation pupils developing new friendships and attending school for the very first time, to our Year 8 pupils growing into their Prefect roles, impressive progress has been made all round. Although we are still working within a 'new normal' set of restrictions, we have been delighted that the children have also been able to resume a number of popular activities and events this term, including sports fixtures. A particular highlight of this week for me was the opportunity to join in a game of 'Roman God Top Trumps' with Year 4, utilising special cards they had designed themselves.

As I reported in the previous school newsletter, we were visited by the Independent Schools Inspectorate last week, and we expect to receive the report for our Educational Quality Inspection and Focussed Compliance Inspection in approximately 5 weeks' time. I look forward to sharing with our whole school community the outcomes of the inspection and the inspection report in a dedicated mailing to all parents as soon as this report is available. Once again, I would like to commend and thank all our staff and pupils for their positive and enthusiastic engagement with the Inspection team.
