

THIS WEEK AT ST FAITH'S

19th November 2021

We were delighted this week to be able to share the report from our recent Independent Schools Inspectorate (ISI) Inspection with our community. The Inspection has a particular focus on pupils' achievements and pupils' personal development, and the Inspectors spent several days at the school observing lessons and activities, as well as speaking to pupils and staff. It is a real testament to the hard work of the children and their teachers to have gained the highest possible accolade of 'Excellent' in both categories.
