

Easter Play Shop

During the Easter Holiday when Play Shop is in operation, contractors will be working on the roof at the front of the Southfield Building. Whilst the contractors are on site, their vehicles will be parked in the front playground area of Southfield and safety barriers will be in place to prevent pedestrian access to this area. Therefore, in order to ensure everyone remains safe, pedestrian access will not be permitted through the Southfield gates. Please access the school via the **pedestrian gate at Gate 1** at School House.

Many thanks,
Mrs T Robson
Pre Prep Teaching Assistant
