

On Wednesday, we welcomed more than 30 prospective families to our Prep Open Morning (years 3-7). Following a presentation for the parents and children outlining the benefits of a St Faith's education, some of our Year 8 prefects toured families around the school site before the closing Q&A session in the Sports Hall. The feedback from our visitors was very positive, and they clearly enjoyed the tours with our pupils. All of the families were treated to a 'goody bag', courtesy of our catering department, including a bread making kit and a jar of Cranberry and Orange Sauce!
