Bikeability Course

The infamous Bikeability course will be returning to St Faith's. These excellent sessions provide a fantastic opportunity for pupils to increase their confidence on their bikes. Children will learn more about road safety and how to properly maintain their bike. Due to the popularity of these courses bookings will fill up quickly.

Multi-Activity

The course will be open to children who are currently at St Faith's Years 2 to 7. Numbers on the course will be limited and a policy of first come first served will be adopted. Activities include tennis, badminton, cricket, rounder's, football, swimming, basketball, volleyball, table tennis, team superstars and others (some of these activities may be affected by the weather, the age of children and the numbers involved).

One to One Sports Coaching Sessions

A number of teachers will provide the opportunity for students to sign up to various sports for one to one coaching sessions. These sessions will commence during the Easter holidays. An up to date list of sports, dates and times on offer will be sent to parents early next term.

Playshop

Play Shop provides a happy and familiar environment for the children to be with their friends. They will be able to participate in a wide variety of art, craft and physical play activities. The venue is the Pre Prep Year 1 classrooms located beside the rear playground of Southfield. Weather permitting the children will free-flow between the classrooms and the outside play area. Playshop is available for current St Faith's pupils in the Pre Prep.

Art and Design Workshops

The Art and Design Workshops at St Faith's will be open to children who are currently in Years 2 – 8 and will also be open to children from other Cambridge Prep Schools. Numbers on the course will be limited.

A policy of first come first served will be adopted. Children may book on a day to day basis or for the full week.

Health and Safety

We assess the risks for every activity separately and documentation may be viewed by parents on request to the School Office. To further enhance safety, fire drills are held regularly for each course and registers are taken for all participants. Our staff are cleared by the Disclosure and Barring Service ('DBS checked') and a trained first aider will be present on the School site at all times. St Faith's benefits from a secure perimeter and access by visitors to the School is controlled.

Arrival

Access will vary depending on the activity. If in doubt, please go straight to the School reception where staff will guide you to the appropriate location. Specific access arrangements will be published in due course.
