

# IAPS Regional Netball Championships

The U13A netball team travelled to Basildon for the National Netball Finals. The U13 section consisted of two pools of nine teams and the girls played eight matches. They won six, drew one and lost one. As a result, we went through as runners up in our section to face the draw below:

The girls played outstanding netball and demonstrated teamwork and determination throughout the whole tournament. Mrs Bowes and I are extremely proud of these young ladies and they deserved their success; to come third out of a total of 402 schools is **AMAZING!**
