

Milano Team Trio National Finals

Fenton Manor Stoke on Trent

Saturday March 11th

On Saturday 11th March, St Faith's was represented by three teams in the National BSGA Milano Team Trio Finals at Fenton Manor Stoke on Trent. For the first time, we had three age groups qualify as East Regional representatives, U11 Boys, U11 Mixed and U13 Mixed. This competition is for any school in the UK, not only independent schools, and the standard was incredibly high. The children compete in floor and vault plus all the team then perform a group sequence.

The results were as follows:

U11 Boys

Isaac Astin	14.500	Vault	
Toby Nichols	13.000	Floor	
Viraj Shah	12.250	Floor	14.15 Vault
Max Burnell	12.500	Floor	14.15 Vault
Group sequence	23.20		
Final position	103.250		4th in Country (just outside the medals)

1st Mundella 103.950,

2nd Kingmoor 103.750

3rd RGS Newcastle 103.300

Fine margins and we were very unlucky not to medal but the team did win a Regional medal representing the East as our region came 3rd overall, when our score was added to Cherry Tree Primary's score. All of the boys are U11 next year so great things are expected from them in 2018 in this competition.

U11 Mixed

Finn Hutchison	12.800	Floor	14.650 Vault
Connie Topel	13.500	Floor	
Alex Reimann	15.400	Vault	
Emily Hill	13.700	Floor	15.300 Vault
Group Sequence	24.200		
Final Position	109.550		3rd In the Country Bronze Medallists

Amazing performance from this team and they were magnificent on the day beating some very strong teams.

U13 Mixed

Guy Nichols	13.900 Floor	14.900 Vault
Izzie Reimann	13.830 Floor	14.14.750 Vault
Nina Lane	14.000 Floor	15.000 Vault
Group Score	25.100	

Final Position **111.480** **1st in the Country NATIONAL CHAMPIONS**

It was an amazing weekend and the children performed fantastically in all the disciplines. The Mixed U13 team coming 1st in their last major Floor and Vault Nationals was a fitting way to finish their gym time and they will inspire others to follow in their footsteps. As Captains of gym Izzie, Nina and Guy are the perfect role models and the rest of the team are lucky to have them as leaders.

Many thanks to Miss McNally and Miss Butler for their help and support over the weekend.

Mr North
Head of PE
