

## Congratulations

**George H (4L)** along with the U9 Bar Hill Tornedoes football team were runners up in the Colts League Cup out of 70 teams. Their success came after many hard fought matches, some of which went to extra time and even penalties.

**Maddy Brooking (8C)** was awarded Player of the Season at the final Netball County Satellite coaching for Years 8 & 9 on Monday evening.

**Grace D (7C)** won her class at the Royal Windsor horse show at the weekend. Competing in a large field at a very high level, Grace has now qualified for the Royal International Horse Show on three separate occasions. She has also enjoyed considerable other success recently including competing at the BSPS Winter Championships in April where she was third nationally in the novice Gold Cup.

Well done to the St Faith's team in the Cambridgeshire Inter Schools Golf Tournament last Saturday at the Cambridge Lakes Golf Course. St Faith's finished second behind the Perse by just one point. The round of the day was achieved by the youngest pupil in the competition, Harry H who scored an impressive 29 gross (2 over par). St Faith's also fielded the only girl in the competition, Anna W, who won her match in impressive style as did Alex S, Jack H and Harry H.
