

Years 3 - 8 Effort & Attainment Grades

A reminder that the **Years 3 - 8 Effort & Attainment Grade Sheets** will be made available at the end of school today. They can be accessed on the VLE alongside an archive of previous grade sheets.

When you log on to the VLE please click on the 'Your Child' button at the top of the page and then scroll down to view the grade sheets.

If you have forgotten your VLE password, you are able to reset it via the login page. The key information to know is that when you are asked to enter your email address it is the same account at which you receive School Comms messages.
