

## Pre Prep

Congratulations to F51 whose class assembly on Wednesday was the final one of the school year. They focused on their work about growth with a lovely depiction of the story of the enormous turnip. It was a good job that mouse was there to save the day! I particularly liked the words of their prayer:

Dear God  
Help us to work together as a team.  
Teach us to ask others when we need help.  
Amen

This will be my prayer too, as we approach the end of term.

Mrs Smith  
Head of Pre Prep
