

## Pre Prep

Pre Prep assembly this week focused on E safety. The children were reminded about using devices such as computers, tablets and games with internet connectivity, safely. They should always ask for help if they are unsure or get an uh-oh feeling when they are using the internet. Their answers showed that they have been paying attention when school and home have reinforced this message.

We learned this song to sing as a reminder:

Before you tap and click....  
You need to stop and think....  
And tell someone!

See if your child can sing it to you.

Assembly on Wednesday 10 May will be led by F52. Parents of the class are most welcome to attend at 08:35 in Ashburton Hall.
