

Year Book 2017

Pupils in Year 8 have been working hard to compile a Year Book to take with them when they leave St Faith's at the end of the Summer Term. We have all enjoyed looking back at photographs and videos taken over the years and selecting which ones are to be included in the book. Each pupil has designed a page of their own and has had opportunities to produce articles that will be included in the book. The Year Book will be ready for the end of term and will be presented to pupils at Speech Day.

There is still time for children to submit articles that they wish to be included in the Year Book. These could include a report of a trip or an activity they have enjoyed or photographs of their time at St Faith's or they may wish to add to their page which they created back in October.

Photographs can be:

- emailed to Mrs Oxborough (EOxborough@stfaiths.co.uk)
- Originals can be brought in and given to Mrs Oxborough – they will be scanned and returned to their owner. Photographs should be in an envelope with the name and tutor group of their owner. Please remove all photos from frames before sending them in.
- Electronic copies can be supplied on a memory stick (memory stick will be scanned by IT department before pictures can be downloaded)

Please do not send in photos on a memory card, as these small devices can be lost.

Pupils are reminded that the photographs submitted for inclusion in the Year Book can be reviewed in school on the everyone network drive. Pupils who have not submitted any photographs will be contacted to remind them to do so. Please contact Mrs Oxborough if you require assistance.

Articles can be emailed to Mrs Oxborough. Please could all pupils use Word to write their articles, the printer is unable to read files created in Publisher. If a pupil wishes to add a photograph to their article this must be supplied separately and not included in the Word document.

Please can you remind your children to go onto the VLE and vote for the Year Book 2017 Awards, this and more information about the yearbook can be found at <http://i.stfaiths.co.uk/yearbook-for-year-8s>. A link to submitting Comments for Friends can also be found here.

Kind regards,

Mrs Oxborough
