

## Pre Prep

Our Pre Prep assembly this week focused on saying sorry. After I had inadvertently sat on someone's cake, I asked the children what I should do next. They helped me to work out the best way of saying sorry and making amends.

Next, we made a list of the best ways to say sorry:

- Say sorry face to face
- Take responsibility – don't try to blame the other person
- Show that you care and realise that the other person is upset
- Say sorry as soon as you can
- Mean what you say

Lastly, we agreed that saying sorry for doing something wrong also means that we will not do that thing again.

We look forward to seeing Year 2 parents next Tuesday, 4<sup>th</sup> July, at 0835 in Ashburton Hall, for our final assembly of the year.
