

'Off Games' Procedure

If your child is 'off games' please inform the Health Centre staff and if using e-mail, please cc your child's tutor. Likewise, please inform Health Centre staff when your child is fit again to take part in the Games and PE programme. The Health Centre staff will ensure that PE staff are informed and update medical records accordingly.

Please phone or e-mail the Health Centre: healthcentre@stfaiths.co.uk to ensure that the information is received by all the nurses.
