

Sponsorship Opportunity

The Cambridgeshire Chess Championship for Schools, was formed in 2013 by a small group of teachers and parents to give children the chance to play regular competitive chess.

We are a non-profit organisation run by volunteers. For the past two years, we have received annual sponsorship money of £1000, which pays for medals and trophies for the children, maintenance of our website (web hosting, domain name subscription), chess equipment (such as boards, pieces and clocks), and coaching and game analysis for the children. At present, we are seeking a new sponsor to cover these costs.

Besides the satisfaction of enriching Cambridgeshire's children and our community, there will be benefits in return for your help. We will add your company's logo to our website, providing free advertising. Our website receives approximately 500 visitors per month and is seen by people from all over the county so there should be good publicity directed at a high calibre audience in exchange for your kindness.

If you have any questions, or would be interested in sponsoring the CCC, please do get in touch.

Best wishes
