

Year 3 & 4 - Access to School House

Please could we remind parents that children in Years 3 and 4 should remain outside until the bell rings at 08:15 each morning. A member of staff is on duty from 07:40.

Please could we also ask that parents do not go into School House or Newton Buildings before school? If parents of Year 3 and 4 pupils would like to chat briefly with their child's Tutor before school, the doors will be open from 08:05 each morning.
