

Year 8 Art and Design Trip to the Fitzwilliam Museum

To support the Year 8 work on portraiture, they will be participating in a *What is the real me?* workshop at The Fitzwilliam museum. The pupil's will be asking what do portraits tell us about people, who they are and what is their character? How do artists show differences between people and what they are feeling?

The children will leave St Faith's at 13:00 and return 15:40. They need to wear full school uniform and they will not require any money.
