

## **Class Concerts Week in Music Lessons**

Class concerts are a marvellous informal opportunity for pupils to perform to their fellow pupils in school. During the week after half-term all class music lessons in the Prep School will be allocated for solo performance for any pupil who wishes to share their music with the class. Should the children have any accompaniments or backing tracks it would be great if they could bring them along to the lesson.

The Autumn Concert takes place on Thursday 16<sup>th</sup> November at 19:00. Many of the Prep School ensembles such as Concert Band, Senior Strings, Senior Brass and the Jazz ensembles will be performing the repertoire they have learned this year.
