

Pre Prep

The signal for entry to the buildings each morning, as you know, is the opening of the Southfield, red front door. As the heating is now turned on in Southfield we shall not keep the door open for an extended time. Please do not be alarmed if, when arriving, you see the door closing or indeed shut. You are not late; it means that we are being energy conscious and attempting to conserve heat. Children should be in their classroom by 08:30 as this is when registration closes.

During the day we give reminders to children about rubbing their shoes on the door mats before entering the building across the school. A very good habit I am sure you would agree. Please encourage your child to do this when arriving at the start of the day.

Congratulations to 1HC who led the first class assembly of the year this week. They had vehicles as their theme as part of their topic, 'We're Getting There'. It was good to see the children's detailed Andy Warhol inspired vehicle pictures. We also enjoyed the 'doubling's no trouble' Maths rap! Well done to the children and teachers for all your hard work.
