In our assembly this week we focused on communication; how we get to know new people and make friends. We learned a little about Pocahontas and her tribe who could not speak a single word of English and John Smith and his sailors who could speak no Algonquian, which was Pocahontas' language. She helped her people make friends with colonists who had come to America from Britain.

Our prayer was:

Thank you God that you have given us expressive faces and bodies,
Lips to smile, eyes to shine and hands to talk.

Help us to use our bodies well to communicate in a friendly way with everyone we meet.

Amen
