

ISGA 2 Piece Nationals 2017

Congratulations to all the gymnasts who represented St Faith's on 11th and 12th November in Stamford. We were delighted with the composure and professionalism exhibited by all gymnasts. The results were outstanding.

Our Under 9 girls' team comprising Evie Wise, Juliette Hames, Hannah Wiseman, Phoebe Biggs and Penelope Birkwood performed really well to secure Silver medals in the team competition. Hannah Wiseman took a Bronze medal as the 3rd best performer amongst all the gymnasts.

Our Under 9 boys' team comprising Reuben Lygoe, Max Burnell, Ben Bullen, Noah Holt and Harry Gorick narrowly missed Gold medals by the smallest of margins. Only 0.18 separated 1st and 2nd place teams. Our boys proudly received their Silver medals and should feel pleased with their efforts. Special congratulations to Max Burnell who finished 4th and Reuben Lygoe who finished 3rd.

Our Under 13 boys competed with flair to finish as winners. Finn Hutchison, our gym captain took individual gold and was joined by his team mates, Sam Burnell, Tomas Valenzuela- Niedbalski, William Hall and Harry Moffat on the 1st place team podium.

Our Under 11 team amazed the audience as they took Gold team medals and every one of the top 5 individual medals. Congratulations to Isaac Astin, Harry Bennett-Coles, Toby Nichols, James Warren (2nd) and Viraj Shah who captured the Gold medal.

We are so excited to put these teams to the test this weekend at IAPS Nationals in Kent. Watch this space for next week's news of the coming results.
