

New Video Analysis + Match Review System

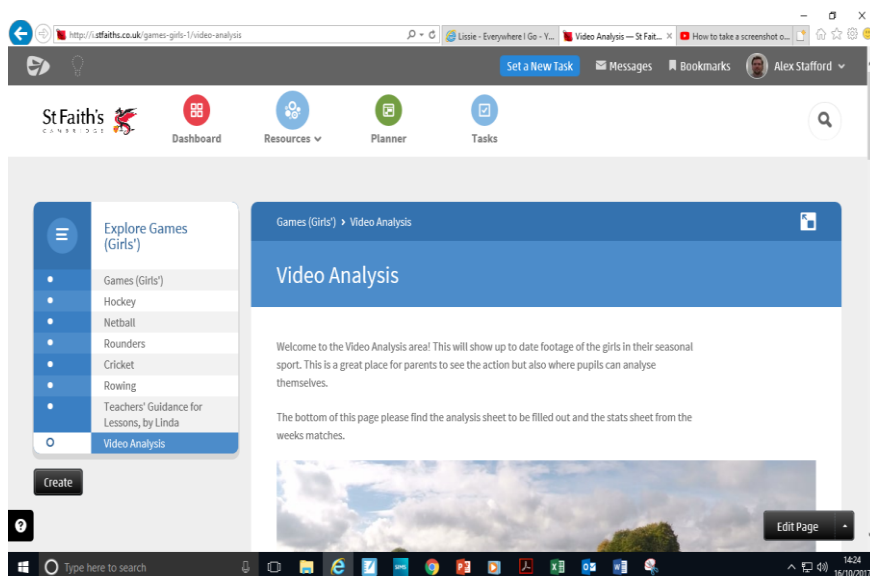

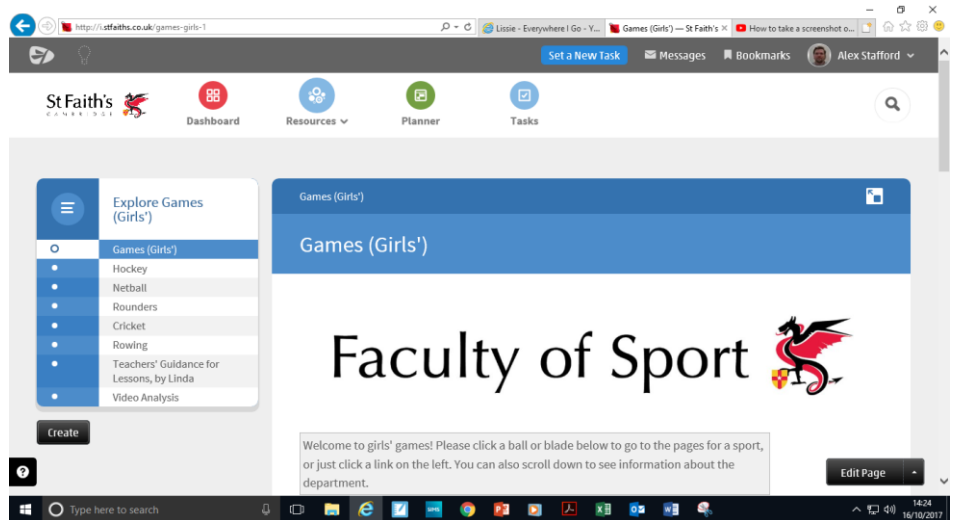

There has been a new part of the VLE created to help sports people watch themselves play matches and drills at home. This is designed for both players and parents. On the page, you will find up to date videos, stats from games and personal reflection sheet.

The page can be found in the Girls' Games section of the VLE at <http://i.stfaiths.co.uk/games-girls-1/video-analysis>

Go to www.istfaiths.co.uk and get onto your VLE.
In resources go to subjects and select Games (Girls).

On the Games (Girls) home page you will find a selection box on the left hand side.
At the bottom of this box is 'Video Analysis'. If you click you will be taken through to the new page.

Download the stats and analysis file from the bottom of the page or just watch the matches.
Enjoy !
