

Year 5 Goblins

On Thursday, all of the Year 5 children took part in the first **Year 5 Goblins AcE Day**. They participated in a variety of activities enjoyed by the Goblins which included driving the car and designing new bodywork for the car based on their team name. At the end of the day the children were asked to write a letter of application to join the Goblins this year. Their application letter and their performance during the day will contribute to the selection of the next set of Goblins. We look forward to sending out invitations to the successful applicants in the New Year to join our next generation Goblin group.
