

Art Competition Winner

As you may already know, the John Lewis advert celebrates the imagination of Joe and his imaginary friend Moz The Monster.

In the spirit of Joe and Moz, John Lewis invited pupils aged 5-11 to create an artwork of their very own imaginary monster friend plus a short sentence explaining why their monster is fun. A selection of St Faith's pupils from Years 3, 5 and 6 plus Mrs Bowes drawing activity, participated in this competition.

Every child that entered the prize draw was in with a chance of being randomly selected as a lucky winner and would receive

- A Moz The Monster toy
- A Microsoft Surface Pro 4 i5 for their school, plus an introduction workshop delivered by a Microsoft Educator to bring the pupil's winning entry to life using the Surface.

Congratulations to Poppy Clarke in 3L who won the competition. Her drawing will be displayed in the Espresso Bar at John Lewis Cambridge alongside other favourites.
