

Foundation

We are so proud of the children; they were true professionals on Wednesday in their performance of 'Whoops-a-Daisy-Angel'. They worked extremely hard to learn the songs, actions and words. Thank you to those parents who were able to come along and also for providing costumes; the children certainly looked great and we hope you enjoyed watching it.

We have been busily working around rehearsal schedules to prepare a gift and card for Christmas. These will be brought home next week for you to enjoy!

For homework, we would like you, with your child, to put some toys in a box. Count them together as you put them in. Then add one more and ask your child how many now? Then show how many are inside the box and count to check. You might like to ask your child the following:

- How many are there to start?
- How many now?
- How do you know?
- How did you work it out?
- What if we added 2 more? How many now?
- What if we took one out? Two out?
- Can you show how many there were and what happened?

Repeat with a different starting number.

The last week of term is another busy one. We will be enjoying a delicious Christmas lunch on Monday. Tuesday is our party day; party clothes can be worn with sensible footwear. The Pre Prep Christmas Service is taking place on Friday morning where the Foundation children will be joining in with our Pre-Prep Christingle service. If you are collecting your child after the service at 11.30, please wait on the front playground and those leaving early will be dismissed via the playground as usual. If you are collecting your child at 14.30 please come to the Foundation classrooms, whilst those leaving at 15.25 will be dismissed as normal.

On Thursday 15th we will be sending home a 'Christmas Scrapbook' for the children to use to record their holiday activities. You may like to include photographs, drawings or writing and these will be shared in class during the first few days of the new term. You will also receive 3 reading books for your child to complete over the holidays, as well as a Pre-Prep Christmas Challenge card (instructions will follow!).

Best Wishes

The Foundation Team
