

Pre Prep

Congratulations to all the children in Foundation and Year 2 who performed brilliantly in their respective shows this week. We were so proud of your confident performances.

We are looking forward to welcoming parents to our Christingle service on the last morning of term and hope to see many of you there. The retiring collection will be made in support of the Children's Society.

Next week, please look out for an A4 card detailing our Pre Prep Family Charity Challenge. We do hope that you will want to take part, and have some family fun over the festive break.
