

Cambridgeshire Junior Chess Championships

St Faith's hosted the Cambridgeshire Junior Chess Championships on Sunday. Children who perform particularly well at this annual event are given the honour of playing chess at county level.

We are delighted to announce that Ryan Stubbs and Matthew Young have been invited to represent Cambridgeshire in the U9 section, with Amer Amen and Rayyan Ali (who have previously played U9 matches for the county) being selected for the U11s.

Congratulations to our players on this fantastic achievement.
