

## Pre Prep

Our class assembly this week was the first of the Year 2 classes, with 2JP using India as their theme. The focus was on their work around Jamil's Clever Cat, a story set in India. Friendship and help given to one another, were also mentioned as good examples to follow. Thank you 2JP and Mrs Papworth for all your hard work in presenting this assembly.

We are looking forward to meeting with parents next week for consultations about the children's progress. Please see the link below regarding the arrangements.
