

Swimming Gala v Bedford School

Well done to all the swimmers from Years 5-8 who took part in the swimming gala against Bedford School on Tuesday. It was a thoroughly enjoyable afternoon's meet; the standard of swimming from both schools was high yet St Faith's managed to secure first place in almost every race. Personal best performances were aplenty, and amazingly four new school records were set. All this shows great promise as we move towards the National Swimming qualifying rounds on Tuesday 27th February. I am sure St Faith's will not disappoint.

Congratulations to the following pupils who set new school records:

Mateo in the U10 25m Backstroke (19.53) and 25m Butterfly (19.73). The Butterfly record had been standing since 1997!

The U10 boys' Medley Relay team of Niall, Reuben, Mateo and Noah (1:27:54)

The U11 girls' Medley Relay team of Daisy, Polina, Ava and Phoebe (1:18:03)

All results are posted on the notice boards outside the dining room.

Mrs Critchley

Year 8 Tutor/Teacher of Humanities & Sport
