

## Foundation Spanish Lessons

This week our Foundation classes have been learning how to say 'left' and 'right' as well as 'up' and 'down' in Spanish.

We had lots of fun saying and dancing to 'la derecha', 'la izquierda' and going up, up, up saying 'arriba, arriba, arriba' then down, down, down saying 'abajo, abajo, abajo'

Here is a picture of FCB in action.

¡ Hasta luego!
