

Mavericks Netball Trip

On Saturday 10th March, some very excited pupils travelled to The University of Hertfordshire to watch the super league netball match Mavericks vs Sirens.

It was a thrilling game and an excellent experience for the pupils to see the high standard of netball they played and how tall these netballers were! The match went right to the end whistle were Mavericks won 46-44. The pupils were able to meet some of the Mavericks players at the end of the game and got signatures from Sasha Corbin (Mavericks WA and England player), Lindsay Keable (Mavericks GD) and Summer Artman (Mavericks GK).
