

U10 & U11 Girls' ISGA Five-Piece Premier National Gymnastics Championships

On Sunday 4th March Milton Keynes Gymnastic Centre hosted the National ISGA Five-Piece Gymnastics Finals for the first time. Snow throughout the preceding week hampered some of the teams and not all of the schools could attend, including British School of Brussels and British School in Netherlands.

Undeterred, St Faith's managed to get our U10 and U11 girls to the event and they thoroughly enjoyed the experience of sprung floor areas and vault run ups. We were incredibly proud of our U10 as their group sequence came 6th in order to claim a medal and they performed it better than ever before, which was incredibly pleasing. In the team event they also came 6th to claimed their second medal of the day. Their individual scores are as follows:

U10 Team

Maddy	28.15	28 th
Harriet	28.55	27 th
Olivia	30.35	21 st
Evie	30.65	19 th
Luciana	32.40	12 th
Group score	29.95	6 th place medals
Overall Team score:	153.30	6th place medals and shield

The U11 Girls were also in a fantastic competition and they performed superbly as a group coming 6th to claim another medal at National Level. Their consistency as a group and also their sporting nature shone throughout the day. Their individual scores were as follows:

U11 Team

Claudia	30.70	36 th
Lulu	31.30	32 nd
Vivian	31.65	29 th
Polina	33.10	21 st =
Elizabeth	33.10	21 st =
Group sequence	31.05	8 th
Overall Team score:	161.40	6th place medals and shield

Huge thanks to Mrs North for organising the whole event and also to Miss Butler for her support and invaluable assistance in running the teams. The parents and the girls were incredibly happy at the end of the day and we now look forward to the U9 and U13 teams competing on Friday and Saturday this weekend.

Well done everyone!

Mr T North
