

Nuffield Health Cambridge Hospital

Orthopaedic Robot – Drawing and Naming Competition

At Nuffield Health Cambridge Hospital (the building you can see from the playing field), the doctors who look after patients with broken bones have a new robot that they use to help them in the operating theatre to fix poorly legs.

We are very excited about our new robot and we would like to run a competition with you.

Competition Details:

We would like you to use your imagination to DRAW and NAME our robot!

The competition is split into three age groups and we will choose a winner from each group with a special unveiling!

Categories

1. Draw the robot
2. Name the robot

This competition is available for:

Pre-Prep
Year 3-4
Year 5-8

Please hand in entries, with your name and year group on, to the School Office by 12 noon Friday 20th April.

Good Luck!
Nuffield Health Cambridge Hospital
