

# Pre Prep Spanish

¡Hola! So much is happening with Spanish in Pre-Prep!

## Foundation

The children have been practising their numbers from 0 to 10. Ask your child to teach you how to count up to 10 in Spanish!

Here is a lovely song from the Lingo Show on the BBC:

They also enjoyed going up, up, up... ('arriba, arriba, arriba') then down, down, down ('abajo, abajo, abajo').

And they now know their left -'la izquierda'- from their right -'la derecha'- in Spanish.

Ask your child to show you!

## Year 1

The children have been learning some important verbs and practising numbers up to 60.

## Year 2

The children are able to say what their name is ('*me llamo...*'), how old they are ('*tengo seis / siete años*'), which month their birthday is in ('*mi cumpleaños es en ...*') and where they live ('*vivo en...*').

They have really enjoyed singing along to the 'What is your name?' song.
