

Year 4 Trip to Little St Mary's Church

Year 4 pupils visited Little St Mary's Church last Thursday. They were met by Fr Robert who gave the children a fascinating whistle stop tour of the church. The children (and adults) learnt some interesting facts about this interesting city centre church and the children worked sensibly and respectfully on their workbooks. The trip formed part of a wider Humanities topic, wherein the children have been learning about the importance of The Church to Christians and the significance of the practices, events and objects therein.

Needless to say, the children enjoyed the trip, were extraordinarily well-behaved.
