

St Faith's Parent Liftshare Initiative

We are pleased to announce that the **St Faith's Parent Liftshare Initiative** is now ready to be launched.

In order to access the website address please click on the VLE link below:

<https://i.stfaiths.co.uk/parents-information-and-policies/parentliftshare-initiative>

The VLE page also lists the community password which you need to enter in order for you to register to use the site.

Registration

In order to register to use the site you need to click on the liftshare weblink, then select the JOIN option at the top right of the page. This will take you to the registration page.

The registration process just requires your name, gender and email address. You will be asked to enter a password for your own individual account. You will then be prompted to enter the Community Password. No other details need to be entered at this stage.

Once you are registered you will then be able to offer a lift or post a lift request enabling you to find other parents who you can liftshare with. The initiative is dependent upon parents initially registering to use the site so if you are interested in lift sharing please do make sure that you register your details.

If you have any queries in relation to the initiative or the St Faith's Liftshare website then please do not hesitate to contact Amy Pearson, Operations Manager, on apearson@stfaiths.co.uk
