

Year 4 Town & Village Enquiry Day

On Thursday 10th May, all Year 4 pupils will be visiting Houghton and St Ives to support their Humanities studies. We will have a tour around Houghton Mill to experience a working watermill and learn about the history of the settlement, and will then draw comparisons between a village and a town. All classes will be departing school at 08:40 and are expected to return before the end of the normal school day. A packed lunch will be provided, but the children may still bring their own snack and a bottle of water.

We would be grateful if parents could ensure that the children are well prepared for unfavourable weather, since a great deal of the day will be spent outside and the mill is also very cold. We recommend that children bring their school rucksack to carry an A4 clipboard, a warm, waterproof coat and their packed lunch. They should wear school uniform as normal.

We will be travelling by coach to St Ives so should your child suffer from travel sickness, please provide any necessary medication and inform the child's tutor. Please also ensure they have an asthma inhaler with them if required.
