

Foundation

This week the children have been excitedly watching their sunflowers to see the start of shoots growing! They have been busy writing a bean diary about the changes. The children have also been thinking about recycling and sorting through rubbish wondering which recycling bin to place it in.

This week in Maths, we have been continuing our practice of learning the order of the months and days of the week, as well as telling the time using o'clock and half past. To help with this, the children have listened to the story of 'Jasper's Beanstalk'. To help continue this learning at home, we would like you to play 'Days of the week' snap! Cut out the cards provided and then share them out face down. Take turns to turn over a card and add it to a pile in the middle. Say 'snap' if the two cards are days which are next to each other in the week, like Saturday and Sunday. Whoever says 'snap' first picks up the whole pile and puts them on the bottom of their own. Perhaps you can make up your own rules too?

Well done to FCH for their retelling of The Odd Egg story. Next week it is the turn of FCB, who will be showing their class assembly on Wednesday 23rd May, from 08:35 in Ashburton Hall. We look forward to welcoming FCB parents on this morning.

Next week, some of the teachers will be welcoming the children who will be starting Foundation in September, as they come for their short afternoon visits. Children from FVH will be continuing their normal activities in a different classroom on some afternoons next week to accommodate the visits.

It will also be the turn of FCH to choose their lunch, going through the servery and sitting in the large dining room to practise ready for Year 1. Monday, Tuesday and Wednesday afternoons between 15:30 and 16:00 is also our Pre-Prep Open Doors where we would like to invite you and your children to visit the Pre-Prep and have a look in different classrooms to see the variety of work that happens.

On Friday 15th June Foundation are going on a trip to South Angle Farm. If you think you would be available to help us, please let your child's class teacher know. We have no available space on the coach so you would need to make your own way to the destination in Soham. Please note this date clashes with the main school's sports day and trips in Years 1 and 2.

Best wishes,
The Foundation Team
