

## SFPA Summer Party

With just a week left to purchase tickets for the SFPA 2018 Summer Party, we hope you have already purchased your tickets to what will be a wonderful evening for parents to relax, catch up with old friends and hopefully make new acquaintances. Please purchase your tickets [here](#) as we have only 40 tickets left.

This year we have an exciting opportunity for you to own your very own 3 man punt which has been designed and engineered by a fantastic group of Year 8 students working with Dr Nicola Hoyle, the Head of Engineering. This group has spent an hour a week since the beginning of the Lent term building and constructing this amazing punt which is to be raffled off at the Summer Party with proceeds going to Tom's Trust. Tickets to support this wonderful cause can be purchased using the form [here](#) or on the night.

We look forward to seeing you all at the Summer Party; fingers crossed for good weather!

With all good wishes,

The St Faith's Parents' Association Committee
