Late Stay will operate as normal on this day.
- The **Pre Prep** children will all be off-site on this day on various school trips, as stated in the calendar.
- Note that we have combined the **House Gymnastics Competition** with Sports Day this year. This should give parents greater flexibility in attending both events and give a greater number of parents a chance to see the skills of our gymnasts on display. Please see the timings in the table below.
- Parking will be available on site from 10:50am. There will be no access for cars onsite until 10:50 when the pupils have finished their morning break-time.

7. **Medals and cups** will be presented as races are completed. All children who finish in the top three in a race will receive a sticker. **Those that finish in the top three in an 'A' race will be invited to the podium to collect a medal or trophy**; parents often find this to be an excellent photo opportunity! PLEASE NOTE THAT BOTH TRACK AND FIELD EVENT TROPHIES WILL BE AWARDED ON THIS DAY (as many of the Field Events will have taken place before 15th June during PE lessons).
8. A professional company, DE Photos, will be taking high quality action shots throughout the day. Photographs will be available to view and purchase on the day from a stall positioned in the Sports Hall Car Park.
9. It is the responsibility of the pupils and parents to ensure that competitors arrive at events on time. Announcements will be made throughout the day to remind pupils and parents of the timing of events.

First aid will be provided trackside on the day by the Health Centre team.
12. **Toilets**
Adults may use the upstairs and downstairs disabled toilets in the Sports Hall or the Staff toilets in School House or the toilets upstairs next to Firwood Computer Suite.
Adults are not permitted to use the children's toilets due to safeguarding arrangements.
13. Please ensure that all pupils have their personal emergency medication with them. Any asthma inhalers required – e.g. Ventolin – should be sent with the child. In the case of Years 3 & 4 pupils these should be given to Tutors on arrival at morning registration and collected from the Tutor at the end of the School day. Pupils in Years 5 - 8 will be responsible for their own inhalers.
14. **Light refreshments** and drinks will be available for parents upstairs in the Sports Hall Classroom. This area and the balcony overlooking the track will be adult only venues. There will be a Hog Roast Stall and Toni's Ice Creams based in the Sports Hall Carpark. 15% of the money raised from the hog roast and ice cream sales will be donated to Makukhanye School in South Africa. A hog roast sandwich will be priced at £4.00.

I hope that this information helps you to plan for the day. We are thrilled to be able to organise our Sports Day and House Gymnastics Competition on the same day this year. Please do feel free to pop into the Sports Hall to watch the gymnasts in action at times that suit you during the day.
