

St Faith's Athletics Meeting for U10-U14 Girls & Boys

A fantastic evening of athletics took place at Latham Road yesterday with great weather and good track conditions.

We hosted Wellingborough Prep, St John's, St Mary's Junior, St Mary's Senior, Perse Prep, Perse Upper and Moulton House, plus St Faith's had A, B and C teams (approximately 100 of our own athletes).

There were some magnificent performances with Polina Frakina breaking the school record for the U12 70m hurdles when she ran 11.81sec. Ned Caton narrowly missed the boys' record in the same event when he ran 12.33sec. Toby Nichols looked in superb form and ran beautifully to win the U11 200m in 30.70 sec, which was again just outside the school record of 29.88. A Wellingborough pupil called Maughan then treated us to a stellar performance in the U14 200m when she ran a blistering 25.54sec; no wonder she was National champion last year.

The event was split into two groups and the results were as follows:

We now have the Cambridgeshire County Championships on Saturday 12th May at Peterborough for the U13/ Open age groups. The U10 and U11 have their Area Championships at Norwich on Monday 14th May. On Friday 18th may it is the whole U10-U14 athletics match at Gresham's so a very busy time ahead.

Huge thanks to all the staff for their help running the event last night ; it really is a slick operation.
