

Goblins Scottow Enterprise Park 2018

Achievements:

1st Slalom

2nd Slalom

Portfolio Award

3rd Sprit Race – Rapid Rockets

Scottow Enterprise Park Goblins 2018 Overall Winner

After a challenging start to the day, a coach full of Goblins fuelled by a delicious breakfast (thanks to our Catering Team) and a minibus full of cars arrived at Scottow Enterprise Park to take part in the second race of the season. We were even joined by one of our retired Goblins, Harry, who was at St Faith's on work experience.

The weather was dry but windy so warm tops were the order of the day. The sun eventually broke through in the afternoon which meant we needed to cool the Goblins down with a welcoming ice cream.

The Goblins had an amazing day. The results were a just reward for their excellent teamwork, can do attitude and a general spirit of good humour and positivity.

Special driving mentions must go to Harper who fought valiantly through 3 heats to finish 3rd overall in the Sprint Race, Ben was cruelly denied a first place in his heat when it was rerun due to a course redesign and Emily skilfully drove her car into the semi-finals.

Congratulations to all the Goblins. The Year 5s have picked up the gauntlet and I look forward to them leading the teams next year. Many thanks to Mrs Price, Mr Brent, Mr Hasell and Harry C-R for their unfailing good humour and support. Thank you also to the parents who joined us, especially Dr Gilley who marshalled at the event.

We look forward to our final outing on Sunday 8th July at the Top Gear test track. The Stig may have met his match!

Mrs Oxborough
