

Year 1 Trip to Great Notley Country Park, Essex

Last Friday, Year 1 had an exciting day at Great Notley Country Park.

From the moment we stepped off the coach, Year 1 had arrived at Pirate Training School. We met our captain and wondered what duties would be thrown at us pirates. Having been ship-wrecked off the coast of an 'island', our challenge was to survive the day without mutiny. By working together to tackle a series of team and individual challenges, the children had lots of fun learning about themselves and their fellow pirates. Activities included shelter-building, a blindfold trail, map reading and walk the plank. A wonderful day was had by all and there were some very sleepy Pirates on the coach trip home.
