

Chariots of Fire Race

On Sunday 16th September, 18 members of staff will be running in the annual Chariots of Fire relay in Cambridge City Centre. The race starts at 9.30am and should be finished by 11.00am and all support on the streets of the city near King's College or along Silver Street will be greatly appreciated. Keep a look out for the St Faith's T-shirts and give us a cheer!

This year all funds raised are for the Cambridgeshire Community Foundation. This Foundation provides an opportunity for young people to achieve more for themselves.

More information on how you can donate to this worthy cause will follow next week.

Mr Brent – Team Captain
