

St Faith's Catering Newsletter

Welcome

Welcome to our Michaelmas term catering newsletter. In this newsletter we will keep you informed of forthcoming events, themed lunches, seasonal produce, eco facts and nutritional information.

During the summer we have had two new state of the art ovens installed, a blast chiller and new floor put down in the kitchen. We have also had a smoker fitted to one of the ovens, which means we can now smoke our own food at St Faith's. Next term we are planning to hold a smoked food market with items to purchase such as smoked garlic, fish and cheese etc, with all profits going to charity.

We have introduced some new items at breakfast and we will have some new and exciting dishes on at lunch. All of our menus are intended to be child centric and focused, and to give an opportunity to learn about food and experience new tastes and cuisines.

If you would like to contact our catering department please email Peter Burt on pburt@stfaiths.co.uk

Events & Themed Lunches

On 22nd June we held our second annual school barbeque which again was a great success and very much enjoyed by all the pupils and staff.

We held our first sushi making demonstration and tasting in May, which was well received. Due to its popularity we are going to have sushi tasting table on the theatre bar this term.

In mid June our Taste of British Summer week on the theatre bar gave the children a chance to try some classic British summer holiday dishes such as cream teas, Cornish pasties and strawberries.

Last term we introduced homemade smoothies at breakfast, which are blitzed to order. This is now a permanent and very popular fixture on our breakfast menu and good healthy choice for the children.

Eco fact.....

We have started converting all our disposable packaging to compostable products. Hopefully by the end of September all the disposable items we use will be compostable!

Recipe cards

This term's recipe cards include butter chicken curry, doughnuts, meatloaf and Jamaican ginger cake. Please help yourselves to these cards in the servery.
