

Engineering Activity Day

Form the Future along with Greater Cambridge Partnership are advertising a free activity day which gives pupils a chance to take part in an urban design challenge and help make Cambridge an even better place to live.

Shape Your City will be held between 9:30 and 16:30 on **Saturday 29th September** at The Guildhall on Market Square, Cambridge. Pupils will work together with city planners and landscapers to develop creative, new ways to improve some of our public spaces.

All participants will be entered into a free prize draw to win £20 worth of vouchers, plus the winning team will receive a fantastic prize on the day! Lunch will be provided, so be sure to provide any dietary requirements when you book in.

To find out more and register go to:
