

## Old Fidelian News

When one of our former pupils, Nina Lane, joined Year 9 at the Stephen Perse Foundation last September, the Spanish teacher suggested she sat Spanish IGCSE at the end of the year, as she was so far ahead of the normal standard for her age. We are delighted to report that Nina gained an A\* in Spanish IGCSE this summer.

Many congratulations also to former St Faith's pupil, Katie Curtis, who has been selected for the England U18 hockey team, even though she is only 16. Katie currently attends The Leys.
